Hanna's is anticipating an outstanding Spring! We are ecstatic about our first season implementing our new layout, including new displays to make your shopping experience even easier and more enjoyable, an outdoor sitting room for you to relax in, and more parking! We have been hard at work on our remodeling plan and Phase One is nearly complete. We are so excited to share this with you and appreciate your continued business, which has made this project possible.

Spring Fever!

Spring is almost here, and it's time to start preparing and planning your garden! Begin amending your soil with soil conditioner and add top soil where dirt has washed. Continue planting trees and shrubs. Add compost to vegetable beds. Make space for annuals and perennials. Get excited and get ready!

Hanna's has a blog!

Follow Hanna's blog for gardening tips and ideas, answers to your questions, and a behind the scenes look into daily life at Hanna's. Share your personal gardening experiences, post questions, and take part in discussions with every kind of gardener, from beginners to those who live and breathe plants!

February Gardening Tips

- Prune roses. Leave a minimum of 18 inches on the canes.
- Spray roses with **Hi-Yield Lime Sulfur** to prevent fungus and insects. It is important to begin your rose applications at the beginning of the season to promote healthy plants and reduce maintenance.

- Prune crape myrtles if you haven't already. If you are unsure of correct crape myrtle pruning methods, email us at support@hannasgardenshop.com and we will be happy to give you easy instructions.
- Spray fruit trees with **Hi-Yield Dormant Spray** for insect control.
- Continue planting trees and shrubs, including fruits.

Lawn Care

Make a second application of **Hi-Yield Turf & Ornamental Weed & Grass Stopper** to prevent weeds from popping up in Spring. Water after application.

Come see us Monday – Saturday 8 a.m. to 5 p.m., Sunday 11 a.m. to 5 p.m. or visit us online at hannasgardenshop.com.
